Provided that on the release of the animal the owner shall comply with any order which the Veterinary Assistant may see fit to issue under sub-section (*1*).

(*k*) the manner in which an animal may be buried under sub-section (*1*) of section 13 ;

(*l*) the rules subject to which a Veterinary Assistant may take action under section 17.

STATEMENT OF OBJECTS AND REASONS.

The high mortality among cattle in Bengal due to epidemic diseases is well known, but there is at present no statute in this province to control them. Action taken on a voluntary basis cannnot be effective, as restriction on the movement of diseased cattle from one place to another, their segregation, and mass inoculation of healthy stock in affected areas are among the measures which must be taken to bring about a speedy control of the epidemic diseases. This Bill has accordingly been prepared vesting Government with powers to undertake the necessary control measures.

2. The Glanders and Farcy Act, 1899, already in force in this province applies to horses, camels, asses and mules. Under section 2(*1*) of that Act, its provisions can be extended to apply to these animals affected with any dangerous epidemic disease by a notification issued by the Provincial Government in the *Official Gazette*. It is not, therefore, considered necessary to extend the provisions of the present Bill to horses, camels, asses and mules.

3. The provisions of this Act shall have effect notwithstanding anything to the contrary in any other law for the time being in force.

Procedure for effecting restoration of lands alienated by *raiyats* or under-*raiyats* in 1943.

4. If on or after the 1st January 1943 and before the 1st January 1944, a *raiyat* or under-*raiyat* has transferred any holding by sale for any consideration the amount or value of which does not exceed two hundred and fifty rupees, and if,—

(*a*) he applies in the prescribed manner to the Collector at any time before the 25th day of December 1945 for the restoration of such holding to his ownership and possession ; and

(*b*) he satisfies the Collector that he could not have maintained himself or his family except by making such alienation of his holding ; and

(*c*) he deposits with the Collector the amount of such consideration or its value together with interest on such amount at the rate of three and one-eighth *per centum per annum* from the date of his receipt of such consideration and the amount of any compensation for improvements effected to the holding, allowed by the Collector and determined by him in the manner prescribed, less the amount of the net income determined in the manner prescribed derived from such holding by the person in possession of the holding as a result of such alienation,

the Collector shall make an order in writing restoring such holding to the ownership and possession of such *raiyat* or under-*raiyat*, as the case may be :

Provided that the Collector before making any order under this section may make such inquiry as he may consider necessary and shall give a hearing to the transferee, and, if the holding is in possession of a person other than the transferee, to such person also.

The Bengal Alienation of Agricultural Land (Temporary Provisions) Bill, 1944.

(Clauses 5—7.)

Effect of order for restoration of lands.

5. (*1*) When the Collector makes an order under section 4 restoring any holding to the ownership and possession of a *raiyat* or under-*raiyat*, such order shall have effect on the 1st day of *Baisakh* next following the date of the order.

(*2*) From the date on which an order under section 4 takes effect under sub-section (*1*), the right, title and interest in the holding accruing to the transferee as a result of the transfer referred to in that section shall be deemed to have vested in the *raiyat* or under-*raiyat*, as the case may be, free from all encumbrances, if any, which have been created after the date of such transfer.

(*3*) If on or before the date on which an order under section 4 takes effect under sub-section (*1*), the person in possession of the holding as a result of the transfer referred to in that section has not yielded possession of the holding to such *raiyat* or under-*raiyat*, the Collector may of his own motion, and shall on the application of the *raiyat* or the under-*raiyat*, eject such person and place such *raiyat* or under-*raiyat* in possession of the holding.

Manner of payment of compensation for lands restored.

6. (*1*) If the transferee of any holding in respect of which an order under section 4 has been made has not alienated the holding in any manner referred to in sub-section (*2*), the amount deposited with the Collector under clause (*c*) of that section shall subject to the provisions of sub-section (*3*) be paid to the transferee on his application and in the manner prescribed.

(*2*) If the transferee of such holding has alienated the holding prior to the date of the order under section 4 the amount deposited with the Collector under clause (*c*) of that section shall subject to the provision of sub-section (*3*) be paid on the application of the person entitled to payment under this sub-section and in the manner prescribed,—

(*a*) in the case of alienation by means of,—

(*i*) a *bona fide* transfer for valuable consideration, or

(*ii*) a *bona fide* gift by a registered instrument or *heba*,

to the person in possession of the holding as a result of such alienation ;

(*b*) in the case of alienation by means of,—

(*i*) a *bona fide* lease for valuable consideration, or

(*ii*) a usufructuary mortgage,

to the transferee and the person in possession of the holding as a result of such alienation in such proportion as the Collector may deem fair and equitable.

(*3*) If such holding is subject to a *bona fide* mortgage other than a usufructuary mortgage and such mortgage was executed after the transfer of such holding referred to in section 4, the Collector shall first pay out of the amount deposited with the Collector under clause (*c*) of that section to the mortgagee the amount due under the mortgage as determined by the Collector and, if there remains a balance after the said amount has been paid, such balance shall be paid in the manner provided in sub-section (*1*) or sub-section (*2*), as the case may be.

Optional conversion of transfer of land into complete usufructuary mortgage.

7. (*1*) Instead of applying under clause (*a*) of section 4 for the restoration of his holding a *raiyat* or an under-*raiyat* may at his own option apply for the conversion of the transfer by sale of his holding into a complete usufructuary mortgage and in such case if the *raiyat* or under-*raiyat* otherwise complies with the provisions of clauses (*a*) and (*b*) of section 4, the Collector shall make an order in writing converting the said transfer by sale into a complete usufructuary mortgage with—

(*a*) in the case of alienation by any of the means referred to in clause (*a*) of sub-section (*2*) of section 6, the person in possession of the holding as a result of such alienation as the mortgagee, and

(*b*) in all other cases the transferee as the mortgagee,

for a period of ten years or such shorter period as in the circumstances of the particular case is in the opinion of the Collector justified.

(*2*) When the Collector makes an order under sub-section (*1*) converting a transfer by sale into a complete usufructuary mortgage for a period specified by him, the right, title and interest in the holding accruing to the transferee as a result of the transfer shall, with effect from the date of such order, be deemed to have vested in such *raiyat* or under-*raiyat*, as the case may be, subject to such complete usufructuary mortgage and free from all other encumbrances, if any, created after the date of the transfer, and it shall not be necessary for the *raiyat* or the under-*raiyat*, as the case may be, to deposit the amount referred to in clause (*c*) of section 4 with

The Bengal Alienation of Agricultural Land (Temporary Provisions) Bill, 1944.

(Clauses 8—10.)

the Collector and the liability for the payment of any amount referred to in the said clause shall be deemed to be extinguished on the expiry of the said period.

(3) On the expiry of the period of the mortgage, if the mortgagee does not yield possession of the mortgaged holding to the *raiyat* or the under-*raiyat* as the case may be, the Collector may of his own motion, and shall on application of the *raiyat* or the under-*raiyat*, eject the mortgagee and place the raiyat or the under-*raiyat*, as the case may be, in possession of the holding.

Exclusion of jurisdiction of High Court and Civil Courts.

8. Neither the High Court nor any Civil Court shall have jurisdiction in any matter which the Collector is empowered to dispose of under this Act.

Power to make rules.

9. (*1*) The Provincial Government may make rules for carrying out the purposes of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(*a*) the manner in which a *raiyat* or under-*raiyat* is to apply to the Collector under clause (*a*) of section 4;

(*b*) the manner in which the Collector is to determine the amount of any compensation allowed under clause (*c*) of section 4;

(*c*) the manner in which the net income referred to in clause (c) of section 4 is to be determined; and

(*d*) the manner in which the payments referred to in section 6 are to be made.

Continuance of action taken under Bengal Ordinance IV of 1943.

10. Any rules made or anything done or any action taken or any proceedings commenced in exercise of any power conferred by or under the Bengal Alienation of Agricultural Land (Temporary Provisions) Ordinance, 1943, shall, on the said Ordinance ceasing to be in operation, be deemed to have been made, done, taken or commenced in exercise of the powers conferred by or under this Act as if this Act had commenced on the 24th day of December, 1943.

STATEMENT OF OBJECTS AND REASONS.

As a result of the prevailing economic distress many *raiyats* and under-*raiyats* transferred their holdings by sale to maintain themselves and their families and thus reduced themselves to the position of landless labourers. Such transactions mostly took place in the year 1943. It is considered desirable that provision should be made by legislation to enable those *raiyats* and under-*raiyats* who transferred their holdings in this way during 1943 to get them back immediately or at some future date. The Bill has been framed with this object in view.
